June 23rd Meeting for San Jacinto

I wanted to solidify plans for morning June 23rd meetings when you will be coming in for the TMDL meeting in the afternoon.

What I propose like before is a pre-meeting with Harris County from 9-10 and then 10-11:30 with the big group (companies, hc, GBF, HGAC, POHA etc.) where EPA and companies give an update on the short term containment plan, sampling results, ri/fs etc. Also, we can then have lunch and then head over to the HGAC meeting. We can work on the agenda together.

If this works for you all, let me know asap. I need to finalize plans and let people know.

Thank you,
Snehal
